

To whom it may concern,

Thank you for your interest in 2<sup>nd</sup> Story Acoustic. We are three energetic musicians that can fill many different playing venues with our unique arrangements. The band has played for indoor and outdoor functions alike and can adjust our playing style to fit your needs. We can play in a small space if required, or on a large stage. We provide all the equipment necessary.

The three members of 2<sup>nd</sup> Story Acoustic are Ron Skaggs, Tabitha Weyandt, and Doug Yoder. All three are seasoned musicians who have played in many different bands in the Columbus area. Each brings a different type of musical experience with an ear for pleasing the audience.
